

# Tower 30cm Wall Clock

Price: €35.00

## Short Description

T878506 BLK

Bordered by a sleek stainless steel outer casing, this glitz black embellished wall clock creates a sparkling display across your wall to make telling the time as glamorous as your home. Set with statement silver numbering, dial hands, and marker lines, you can easily view the current time from a distance. At the back of the clock sits an adjustable dial for altering the clock's hands to set the time accurately, with a backing nail slot for easily attaching the clock to the wall. Maintain with a simple wipe to clean and insert 1 x AA battery (not included) to begin operation. It's time to style up your wall space with the staple black glitz design feature.

- Stylish 30cm round wall clock
- Adds glitz and glamour to any interior
- Glitz black fascia and glass front
