

Ufesa Toaster Quartet Delux

Price: €79.00

Short Description

The Quartet Delux toaster features four wide-mouth slots for different types of bread. Its elegant design presents an exterior finished in **stainless steel** and an **LCD digital screen** with which you can choose your ideal toast among its 7 levels. It features two pairs of independently controlled wide slots, meaning you can choose different browning levels or use other functions for each pair, allowing you to customize your toast to your liking.
