

LG American Style InstaView

Price: €1,999.00

Short Description

GSXV91BSAF

InstaView Door-in-Door: Knock and discover the freshness

With two simple touches, the panel lights up revealing the contents of the refrigerator. Thanks to Door-in-Door technology, you can easily access your food without opening the door. In addition, the view of the new LG Side by Side refrigerators has increased by 23%. Reduce the loss of cold air for fresh food for longer.
