

# Rowenta Hair Dryer

Price: €49.01

## Short Description

CV5623  
The Rowenta Hair Dryer is a versatile and powerful styling tool designed to deliver exceptional performance. With multiple heat and speed settings, it allows you to customize your drying experience according to your hair type and desired style. The built-in temperature diffuser ensures even heat distribution for quick and efficient drying while minimizing the risk of heat damage. Its ergonomic design and lightweight construction provide comfortable handling during use.
