

Beper Pasta Machine

Price: €29.00

Short Description

MD.500

The pasta machine is a practical tool for the kitchen, with which you can make your homemade pasta. It allows you to obtain 3 pasta shapes: lasagna (150 mm wide), fettuccine (6 mm) and tagliolini (1.5 mm). Dough roller with 9 adjustable positions for thicknesses from 0,5 to 3mm.

The structure and the rollers are made of steel and the operation is through the handle with a wooden knob.
