

Bosch Tumble Dryer

Price: €869.00

Short Description

9kg WQG24100IT

Automatically understands when the load is dry.

Load up to ten pounds of laundry into your tumble dryer or washer dryer and Auto Dry will bring it to the exact level of dryness you want, iron-dry or extra dry and ready to fold. Its sensors constantly measure temperature and humidity to protect your laundry from high temperatures and over-drying. Perfect drying, every time.
