

Beper Single Size Electric Blanket

Price: €29.00

Short Description

P203TFO100

Using the provided remote controller, a soft touch polyester electric blanket with two temperature settings is accessible. The elastic slots make it simple to attach to the mattress. The removable controller makes the item machine-washable at 30°C. Safe use includes a working light and an automatic shut-off system in case of overheating. 150×80 cm in size.
