

Stainless Steel Thermos

Price: €29.00

Short Description

1.9L Stainless Steel Thermos with Pump Function- 76654

This durable thermos can hold both hot and cold beverages. It has a 1.9-liter capacity and a traditional stainless steel appearance.

You can swiftly and effortlessly pour your coffee, tea, or cold drinks thanks to the convenient pump feature. If necessary, the locking mechanism prevents inadvertent pumping.
