

Sharp Microwave

Price: €149.00

Short Description

25L – YC-MS51EW

Sharp Microwave

The magic word for quick, easy cooking is the microwave, whether it is used for defrosting, heating up, or cooking. When compared to an oven, it uses high-frequency electromagnetic waves, which saves time and energy. Your Sharp appliance is also space-saving, small, and simple to use, making it ideal for regular usage.
