

TP-Link Powerline Wi-Fi Range Extender

Price: €59.90

Short Description

TL-PA4010P KIT

The TL-PA4010P KIT transforms your current powerline into a rapid network without necessitating additional wiring or drilling. No setup is necessary; just insert the adapter into your power outlet, and you can set up a networking system instantly. Additionally, its built-in power socket ensures that no outlet remains unused.
