

Lenco Turntable With Built-in Speakers

Price: €178.99

Short Description

LS50LED

Experience the modern Lenco LS-50LED record player with **built-in speakers and mesmerizing LED light animation** on the platter. The lights synchronize with the music beats, offering an auto-fade function or manual color selection. Enjoy your favorite vinyl effortlessly, and if desired, you can use the turntable without the lights. Say goodbye to complex music setups and easily **revive your record collection with the user-friendly Lenco LS-50LED.**
