

## Product data sheet according to the "COMMISSION DELEGATED REGULATION (EU) N. 392/2012

Brand: Bosch
Model: WQG24100IT
Capacity cotton: 9.0 kg
Tumble dryer type: Condensation
Energy efficiency class: A++
Energy consumption: 259,0 kWh/annum
Automatic dryer
Energy consumption of the standard cotton program at full load: 2,11 kWh
Energy consumption of the standard cotton program at half load: 1,22 kWh
Weighted power consumption in off mode and left-on mode: 0,10 W / 0,75 W
Duration of the mode left on
The program: cupboard dry cotton used at full and partial load and the standard drying program to which the information on the label and the technical data sheet refers, this program is suitable for drying normal cotton laundry and is the most efficient program.
The weighted duration of the standard cotton program at full and partial load: 184min
Duration of the standard cotton program at full load: 238min
Duration of the standard cotton program at partial load: 143 min
Condensing efficiency classes B on a scale from G (least efficient) to A (most efficient)
Weighted average condensation efficiency for the standard cotton program at full and partial load: 85%
Weighted average condensation efficiency for the standard cotton program at full load: 85%
Weighted average condensation efficiency for the standard cotton program at partial load: 85%
Sound level: 64dB(A) re 1 pW
Free-standing
